# MONACO WEATHER LAB

THURSDAY 15<sup>TH</sup> FEBRUARY 2024 FROM 5.30PM TO 7.00PM

## “TECHNICAL & OPERATIONAL WEATHER MEETING”

Experts in the field of oceanography, marine meteorology and modern technologies will speak about environmental monitoring systems and weather services for a safer navigation and port operations.

The weather in the Mediterranean and in the Oceans has observed a change in recent years, which requires new forecasting techniques and methods.

During the meeting, the new program of practical weather courses in cooperation with Navimeteo will also be presented.

## “THE MARINE OBSERVER AWARD”

On this occasion, the Marine Observer Award will be given to a person, company, or organization in recognition of the commitment and contribution in the marine meteorology sector, for safety at sea.

The aperitif will follow - Dress code Smart Casual

Please confirm your participation before 9<sup>th</sup> of February by email: [academy@ycm.org](mailto:academy@ycm.org) or tel: +377 93 10 70 08
